SUMMARY

Motivated Software Engineering student with hands-on experience in full-stack MERN development and a passion for building scalable web applications. Proven ability to develop end-to-end solutions from conception to deployment, with strong problem-solving skills and eagerness to contribute to enterprise-grade software development in fast-paced environments.

SKILLS

Programming Languages: JavaScript, C/C++, Python, Java

Frontend Development: React.js, HTML, CSS, Responsive Design

Backend Development: Node.js, Express.js, RESTful APIs

Databases: MongoDB, MySQL,

Development Tools: Version Control, Cloud Platforms

Soft Skills: Problem-solving, Team Collaboration, Fast-paced Environment Adaptability

Practices: Responsive UI, API integration, CRUD, basic testing and debugging

Concepts: Data Structures & Algorithms, OOP, Agile basics, Debugging/Testing

PROJECTS

SocietyVoice - Civic Engagement Platform

- Developed a full-stack web application enabling residents to register complaints, participate in issue-based voting, and report waste-related problems, fostering transparent civic communication and enhanced community engagement.
- Strengthened platform reliability and usability by integrating modern design patterns and scalable backend solutions, ensuring seamless user experiences and efficient data management.

On-Demand Home Maintenance Service Platform

- Constructed a responsive platform that connects homeowners with verified professionals for services such as plumbing, electrical repairs, and cleaning; features include real-time booking, payment integration, and customer support to improve convenience and trust.wefixit.pdf
- Engineered modular, cloud-hosted architecture with database management (MySQL/MongoDB), secure transactions, and third-party API integration (Google Maps, notifications), ensuring scalability, high performance, and transparency

EDUCATION

Rao Bahadur Y. Mahabaleswarappa Engineering College, Ballari	2022-2026
<ul style="list-style-type: none">Bachelor of Technology (B.Tech), Information Science and EngineeringCurrent CGPA: 6th Semester, 72.03%	
Nandi PU College, Belagallu, Ballari, KSEAB Board	2021-2022
<ul style="list-style-type: none">Pre-University (12th), Science(PCMC)Percentage: 68.83%	
Sri Vishweshwaraiah School, Ballari	2019-2020
<ul style="list-style-type: none">ICSE Board (10th Std.)Percentage: 68.6%
